29th April 2019

Dear parent/guardian,

Pupils in KS2 will be taking part in a British Heart Foundation Dodgeball Tournament during the week commencing Monday 20th May. By taking part in this challenge, in addition to having lots of fun, we are hoping to raise money for the British Heart Foundation. Donations of any silver coins would be greatly appreciated, and can be sent in to school via your child's class.

We raised a fantastic amount of money last year and the children were enthusiastic players and coin collectors. Thank you for your support for your children and this very worthwhile cause.

Yours sincerely,

Mr A Ulhaq

Year 4 Teacher
