Dear parents/guardians

Christmas Cards and Gifts

Unfortunately, this year it will not be possible for pupils to bring in lots of cards for all the children in their class. This is to prevent any unnecessary passing around of items between children.

However, if children would still like to send or make a card we are asking them to send a 'class card', please ask them to give this to their teacher. Their teacher will open the class card for all the pupils to see and these will then be displayed in their classroom.

If parents want their children to give gifts to other children, we would ask that you bring those at the end of a school day so you can give them directly to the other child's parent. This will avoid any multiple handling of gifts.

Thank you for your support.

Kind regards

Ms M Louca
Deputy Head teacher
