Head Teacher: Mrs G. Lawson-Mills (née Moore)

28th September 2020

Dear parent/guardian

In class this week, pupils are learning about harvest – focusing on sharing with others who are not so fortunate.

We would like to ask for a donation of any spare tins or packets you may have in your cupboards! Tins and packets would be preferred this year, please. We understand that due to the current situation you may not feel able to donate this year, or may not feel comfortable with donating food items. We totally understand this, so please do not feel there is any obligation to donate. However, if you are happy to donate, please send any tins or packets with your child to be given to their class teacher between Monday 5th October and Friday 9th October 2020.

Class teachers will make a display of all the donations in their classrooms. Each class will have their harvest display photographed and put on our school website, Twitter and Facebook page so you are able to see what they have collected.

All the food donations will be going to our own Foodbank this year, so that we can support our own school community in these difficult times. We would like to thank you for your continued support.

Yours sincerely

Miss J Pearson
Assistant Headteacher
