Head Teacher: Mrs G. Lawson-Mills (née Moore)

15th January 2021

Dear parents/guardians,

In these stressful times, we as a school feel that not only is it important to create academic learning opportunities for our pupils, but also to ensure that we support the emotional wellbeing and mental health of our pupils and parents.

With this in mind, we have signed up to the Optimus Education Wellbeing Award, which gives us an opportunity to work together to develop strategies to support our whole school community.

The first part of the award focuses on gaining an understanding of how our pupils, parents and staff feel about emotional issues. Each group have been asked to fill in an anonymous questionnaire to give us an idea of how people are feeling at the moment, and how we can put together ideas to support us all.

The parent questionnaire will be emailed out to you shortly. Could we please ask you to complete it and submit it once done?

Your responses will be gathered by Optimus Education and then fed back to us anonymously, so please feel free to be totally honest – this will enable us to develop the strategies we need to benefit our school community.

Many thanks,

Miss Pearson

Assistant Head
