Dear parent/guardian

Yardley Primary School – Going Paperless

As you are aware from past newsletters, Yardley Primary School are seeking to become paperless from September 2018. This is in light of the current climate of budget cuts and to encourage a more environmentally friendly and economic school.

We intend to continue to upload letters onto the school website, blog and send messages via twitter and text. We have received positive feedback for this from parents who attended the last head teacher’s coffee morning, who supported this idea.

If you have any thoughts or comments you would like to tell us about please complete the comments box below and return to the school office by Thursday 24th May 2018.

I hope that you will all support us with our vision to becoming a paperless school.

Yours sincerely

Ms G Moore/Headteacher
