24th May 2019

Dear parents/guardians

During next half term we will be holding two 'Dressing Up' days.

The first will be on Friday 28th June and we hope that Reception children will come to school dressed as a Superhero.

The second 'Dressing Up' day will be Thursday 11th July when it would be lovely if the children could come to school dressed as a Pirate.

Both these days will support the children's learning and we know that they will gain a lot from these fun filled days.

Thank you for your continued support.

The Reception Team
