## Personalised Christmas Globes

Dear Parent/guardian

This year Reception staff have decided to raise money for the school fund by selling personalised Christmas globes. Your child's photograph will be displayed on each side with a Christmas theme.

The cost of each globe will be £3.00. If you want more than one globe please speak to individual class teachers'.

Please make sure that you order your globe in time so that teachers have sufficient time to make them. The deadline to make the order is on Friday 7th December. Please ensure your order form and payment is returned by this date.

Thank You

Reception staff
