Monday 21st June 2021

Dear Parent/Guardian,

The school nursing team will be visiting school on Thursday 24th June 2021 to talk to Year 5 children about growth and puberty.

This session will be age-appropriate with a focus simply on body changes to both girls and boys as they grow. Two members of the school nursing team will be working with the children, one nurse will run a session with the boys and the other will run a separate session with the girls.

The session taught will be in line with the school's Relationships and Health Education Policy.

Thank you for your continued support.

Yours sincerely

Ms G Lawson-Mills

Headteacher
