Head Teacher: Ms G Moore

14th May 2018

Dear parent/guardian

Life Education is visiting our school to help support us in our 'Health for Life' project. They will be delivering Family Health workshops to parents/carers and children in Year 3 on **Tuesday 12th June 2018**.

You are invited to come along and work together with your child on a range of creative and fun activities focused on the topics of general health and emotional wellbeing, which will help your child learn about keeping themselves healthy and safe as they grow.

The workshop will last about 1 ½ hours. Only the children who have a parent/guardian to work with will take part in the workshop. Places are limited with a maximum number of 30 for each workshop, so if you want to take part please return your consent slip as soon as possible, places will be offered on a first come first served basis you will be notified via your child if a place has been allocated.

We do hope you can come along, support the 'Health for Life' project and work together with your child.

Yours faithfully,

Miss K Morgan
 Health for Life Co-ordinator

Year 3 – 'Health for Life' Project
