Tuesday 10th November 2020

Dear parent / guardian

Many of our pupils look forward to celebrating their birthday in school with friends, and have historically brought sweets or cakes into school to share. The current situation has unfortunately changed this and it is no longer possible, pupils and parents alike have expressed how disappointing this is.

We have received a great idea from a parent to mark pupils' birthdays for those who celebrate and we thank you for the suggestion!

Each month, in the last week of the month in school, we will have a non-uniform celebration day and we will give a 'sweet treat' to all pupils in the class (provided by school). We can't specify a particular day of the week due to P.E. and Forest School days so please make sure you follow your class Twitter so you know when in the week your child has their class celebration day.

Hopefully that will go some way to making sure the pupils have their special days recognised and shared until we are able to return to our more familiar routines.

We will celebrate those with birthdays in September, October and November in the last week of November – we don't want any pupils to feel left out!

If your child does not celebrate birthdays, please email the office and let us know. We can then ensure that they are not sung to or given a birthday sticker, they can simply have the non-uniform and 'sweet treat' element of the day.

Yours sincerely

Mrs G Lawson-Mills  
Headteacher
