Fundraising

I would like to thank you for your continued support with our fundraising efforts. We have supported Children In Need, Christmas Jumper Day and the Royal British Legion Poppy Appeal so far this academic year.

We also raised £892 from the Autumn Disco and £313 from the Christmas Raffle. The money raised is put back into school fund and helps to pay for those extra items which enrich school life for your children.

Pupils will return to school on Monday 7th January.

Once again we have reached the end of a very busy Autumn Term. There have been numerous workshops, assemblies and Christmas performances taking place and I would like to thank you for your continued support at these events.

There are lots of exciting events and activities planned for next term so enjoy the holidays and I look forward to seeing you in the New Year.

Christmas Raffle

The raffle has been drawn and the lucky winners notified. Thank you to everyone who contributed and congratulations to everyone who won!

Please remember that you can keep up to date and involved with YPS and all the pupils through the YPS and individual class twitter and the blogs on the school website.

Parking Around School

Due to a recent incident where a pupil was nearly hit by a car travelling up Harvey Road, I once again have to remind some parents of the severity of parking irresponsibly and dangerously around the school premises.

This could have been YOUR child.

Please use the Tesco car park and avoid the congestion around Harvey Road. School puts the safety of your children at the forefront of everything we do. I implore you to do the same and not put lives at risk.

Parents are reminded that children are not to be dropped off in the playground early. They are not being supervised and they remain the responsibility of parents until school starts at 8.50am.

It has been noted that some parents are dropping children off as early as 8.00am. This is unacceptable and is a safeguarding issue.

Please ensure you remain with your children in the playground and supervise them appropriately!

Dates:

All the dates for events throughout the 2018-19 academic year are on the website. We hope that we do not have to make many changes to these dates but please continue to check the website just in case we have circumstances that mean we need to make changes.

Should you require a paper copy of the events for the year, one can be obtained from the main office.

Please ensure you check the website regularly as letters do not go out for every event in school and there are occasional changes.

Have a fabulous holiday!
See you on Monday 7th January ☺

LATE COLLECTION OF CHILDREN

Every day there is an increasing number of children left at school because they are not being collected on time.

School finished at 3.15pm for Key Stage 1 children and 3.20pm for Key Stage 2 children.

If you are experiencing difficulties collecting your children there are after school clubs you may wish to consider.
