School Catering

Miquill are delighted to provide the meals at Yardley Primary School.

We operate a three-week menu cycle that is varied offering a choice of a hot meat dish, hot vegetarian dish, jacket potato and a range of desserts. We also offer a packed lunch option with a selection of sandwiches and cold desserts available.

We understand that some parents may wish to give their child a hot meal for their evening meal and therefore choose to give their child a sandwich for their lunch. This is why we offer a range of freshly filled sandwiches, some veggie bites, a home bake and a piece of fruit as an alternative to a hot meal. This is available every day so if there is something on the menu that your child does not like, let them know they can choose one of our packed lunches instead.

We held our Christmas Lunches last week and thoroughly enjoyed the day – children enjoyed a choice of roast turkey with pigs in blankets, roast quorn or halal turkey lunch as well as melting snowman cookies and chocolate hedgehogs. We wish you all a Merry Christmas and are looking forward to our next themed menu day in January – watch this space!

Once again we have got to the end of another extremely busy term!

There have been many events taking place in school and a number of classes have already been on trips.

We are fortunate that our parents are so supportive of their children and the school and all our events are very well attended. Therefore, I would like to thank parents for their continued contribution to making these events successful and I look forward to seeing you all in the New Year!

Ms Gaynor Moore

Please ensure that all money paid into the office is in an envelope and clearly marked with your child's name, class, reason for the payment and the actual amount of money you have put in the envelope.

School Playground

Please can you make sure that you supervise your children when they are in the playground and ensure they behave responsibly. There have been occasions when it has been wet and icy and children have been jumping around in puddles and skating on the ice. This can be very dangerous and a hazard to themselves and others!

Have a fabulous holiday! See you on Monday 6th January.

Parent and Carer Questionnaire

Our recent survey was extremely positive with many parents completing the questionnaire. The survey showed that parents strongly agree that their children are happy and feel safe in school and that school makes sure pupils are well behaved. Parents also felt that their children learn well through a good range of subjects that are available to them and school keeps parents informed of their child's progress. Overall, parents agreed that school has a great reputation and they would happily recommend Yardley Primary School to other parents!

Dates:

All the dates for events throughout the 2019-20 academic year are on the website. We hope that we do not have to make many changes to these dates but please continue to check the website just in case circumstances occur that mean we need to make changes.

Please ensure you check the website regularly as letters do not go out for every event in school and there are occasional changes.

Thank you to all our teachers and pupils for their incredible work and enthusiasm this term. I look forward to seeing you all refreshed after the holidays!

Please remember that you can keep up to date and involved with YPS and all the pupils through the YPS and individual class Twitter accounts, our school Facebook page and our blogs on the school website.
