SATS

I would like to say a huge thank you to pupils in Year 6 for their hard work during SATS week.

They remained focused throughout and are to be commended for their dedication. Well done!

Congratulations to Year 2 who also completed their SATS and did an excellent job. A very hard working bunch!

I would also like to thank the rest of the pupils for the considerate way they moved around school as they were very quiet and respectful.

Holiday Sports Club

Once again the Holiday Sports Club will be running during half term. For everyone attending I hope you have a great week!

Please look out for future holidays clubs as there are now specific activities on specific days for you to choose from.

Hot Weather

As the weather is starting to get warmer please ensure you send in water bottles and sun hats with your children. It is also advisable to apply sun cream to prevent burning.

Please do not send children to school with bottles of water that have been in the freezer. These are not safe and pupils will not be able to use them until the solid ice melts.

Pupils will return to Yardley Primary School on Monday 3rd June 2019

Thank you to all those children who are getting to school before 'five to nine'. 😊
Keep this up so you don't miss out on anything! 😊

Please make sure all payments into school are in a sealed envelope and clearly marked with your child's name, class and what the payment is for. We are happy for you to use recycled envelopes in our bid to help the environment.

Please ensure that the school office is kept informed of any changes to your contact details. It is vital that these are kept up to date in case of an emergency.

Although it has only been a short term, it has been a very busy one. There have been a number of trips, workshops and assemblies that have taken place as well as SATS for Years 2 and 6.

As always your support has been appreciated and I look forward to seeing you at our planned events next term.

Ms Gaynor Moore

So far this term

Reception pupils had a lovely visit to Mount Pleasant Farm

Year 1 and Year 3 pupils enjoyed their Maths workshop with parents

Year 4 had a fabulous time when they went to Twycross Zoo despite the weather!

Year 5 had great fun at their science workshop with Fizz Pop

Years 5 and 6 were fascinated when they had a visit from an Antarctic Explorer who was thrilled by their interest and amazing questions.

Still to come

Year 3 are excited about their trip to Cadbury World and Year 5 are looking forward to their trip to the Art Gallery and Museum.

There are a number of class assemblies and parent workshops still to look forward to after half term.

We hope to see you at these upcoming events!

Mobile phones are only permitted in school for pupils who are walking to and from school on their own. Please ensure that phones are brought straight to the office when children arrive in the playground.

Dates:

All the dates for events throughout the coming year at Yardley are on the school website. We hope that we do not have to make many changes to these dates but please continue to check the website just in case.

Should you require a paper copy of the events for the year, one can be obtained from the main office.

Please ensure you check the website regularly as letters do not go out for every event in school and there are occasional changes.

**Have a great holiday –
See you all on Monday
3rd June! 😊**

As we are now paperless, please ensure that you regularly check the school website for details of all events taking place in school. There is a huge amount of material about school on the website which is kept up to date so you can always be informed about what's happening in school.

There are still some parents who have not given us an email address. Please could you provide one to the school office as soon as possible to ensure you do not miss out on any information. Also if you change your email address please let us know so our records can be amended and kept up to date.
