@yardleyprimary

It is with great sadness that we say goodbye to Mrs Cooper and Mrs Angell who retire at the end of this term.

They have both worked at Yardley Primary School for many years and have been a huge asset in school. Thank you for all your years of service – you will be missed. All the very best for your well-earned retirement.

We are very pleased to welcome Louise Perkins and Laura-Jayne McDougall who will be joining the teaching staff in September.

Please remember to keep safe as well as having fun during the holidays. Be especially careful around water – it can be a killer if it is not respected.

PERFORMANCES

Well done to Reception and Year 6 classes on their Graduation Ceremonies and Year 2 and Year 6 on their end of year performances. Everyone was brilliant! They are huge events for these year groups as they progress through their school life and we are proud to have been a part of it!

Pupils will return to Yardley Primary School on Wednesday 4th September 2019

To our Y6 families – it has been a pleasure and a privilege to be part of your children's education. Thank you for bringing them to us at YPS and thank you for your unwavering support and kindness. You will ALL be missed. All the very best to the pupils and their families in the future.

Once again we have had a very busy year and everyone has worked extremely hard. I am very proud of all our achievements and would like to say a huge thank you to staff and pupils for your effort over the last year. I would also like to thank parents for your continued support.

You all play such an integral role in the success of the pupils and the school. We are very lucky to have you.

Have a fabulous summer break and we will see you all on Wednesday 4th September.

Ms Gaynor Moore

Last year we reduced the amount of paper we sent out and communication via email has worked really well. Please ensure we have your email address and that you let us know of any changes to your email address so that you do not miss out on any information or events.

Whilst all letters will be on the website, you will only directly receive letters if you provide us with your email address in order for us to send them.

Also please ensure that if you change your telephone number you update your details with the school office so that you can be contacted if needed.

Thank you so much for all the parents who have volunteered during this academic year. We are very grateful for your contribution and are ALWAYS looking for more of you!

If you would like to volunteer in school, please see the office staff.

We would love to have you. 😊

Holiday Sports Club - Once again this will run during the holidays and a full programme of sporting activities is planned. Enjoy and have a lovely time!

Please remember that you can keep up to date and involved with YPS and all the pupils through the YPS and individual class twitter and the blogs on the school website.

Dates:

All the dates for events throughout the 2019-20 academic year will be on the website at the start of September. We hope that we do not have to make many changes to these dates but please continue to check the website just in case we have circumstances that mean we need to make changes.

Please ensure you check the website regularly as letters do not go out for every event in school and there are occasional changes.

Have a fabulous summer holiday! See you in September. 😊

School Office:

Please note that children moving from Year 2 to Year 3 will no longer be entitled to Universal meals and payment will be required if you do not qualify for free school meals. Please ensure that dinner accounts are kept in credit at all times and be aware of our debt policy which can be found on our website.

When making any payment to school please place it in an envelope which is clearly marked with your child's name, class, what the payment is for and the amount you have put inside the envelope.
