

Year 1 Summer 1 Newsletter

English

During this half term in Year 1 we will be consolidating all areas of English taught this year.

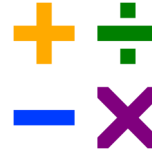

We will be focusing closely on phonics and spelling rules in readiness for the June assessment.

Maths

Our Maths this half term will include learning the language of position, direction and motion.

We will be continuing our work on place value, addition, subtraction, multiplication and division.

Science

We are continuing our work about plants. We will be exploring the school grounds to find and name different plants and trees.

We are also looking at the environment in Summer, how the weather has changed and what is happening around us.

YPC

Our topic this term is The Places People Go.

We will be finding out about different ways of travelling to places around the world. We will also be finding out about holidays in the past.

This half term we are learning about:

How to be ready for the challenge of Year 2.

E-Safety/Computing

This term we will be using a text and graphics program to write on a computer.

We will be practising key board skills and learning about the different functions buttons.

Important Information:

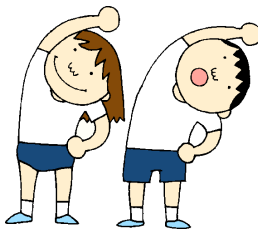

PE times

1S: Monday and Thursday
1Q: Monday and Thursday
1R: Monday and Thursday

1.J: Wednesday and Thursday

Homework

Daily Reading. And Phonics, letter sounds practice.

RE / PHSE

HONESTY

We will be covering the dispositions, "Being curious and valuing knowledge" and "Being open, honest and truthful" through stories and role play.
