

Year 3 Autumn 2 Term Newsletter

English

This half term, we are going to start reading the story 'Charlie and the Chocolate Factory'. We are going to base some of our work on this story. We will explore creating different settings using our imagination and how to create a setting using a range of writing skills. We will also be adapting part of the story and creating our own chapter for the story. Some of our English will also focus on our Victorian topic. Within this we will pretend to be a Victorian child and create a diary explaining Victorian life.

Computing

We are continuing to practise our word processing skills and we will then be moving onto algorithms.

Important Information

PE and Games

3A's PE sessions are on Monday and Wednesday.

3L's PE sessions are on Wednesday and Friday.

3M's PE sessions are on Monday and Wednesday.

3W's PE sessions are on Wednesday and Friday.

Children in need - Friday 16th November – more information soon.

Black Country Museum– 3L and 3W Wednesday 14th November

Black Country Museum– 3A and 3M Friday 16th November

Maths

This half term, one of our focuses will be Multiplication. We will be practising different methods and how to apply them to real life problems. We will also be learning a range of times tables from memory. We will be developing our division skills using grouping and sharing. Towards the end of the half term, we will be developing our knowledge of statistics which will include bar charts and interpreting data.

This half term we are learning about:

The Victorians

RE / PHSE

PSHE: Celebrating difference

RE: Creating unity and harmony.

Please ensure your child has black shorts (tracksuit bottoms and a jumper in cold weather), a red or white round necked t-shirt and pumps (not trainers) for P.E.

Science-Forces

In Science, we will be investigating magnets by comparing different types of magnets and their strength. We will be testing different magnetic materials and thinking about how we use magnets in everyday life.

YPC

Our new YPC topic is the Victorians. We will be looking at Victorian life and comparing it to our own. For the topic, we will be going on a trip to the Black Country Museum and learning all about how people lived in the past.

Please make sure you have sent your child's consent form back.

PE

Tennis

Gymnastic

3M: Swimming will start on Friday 23rd November.
