English lessons will also incorporate a GPS focus where children will learn new spelling and grammar rules.

YPC:

Our topic for this term is 'Invaders/Rule Britannia'. It is a history based topic where pupils develop their knowledge of the Romans, Vikings and Anglo Saxons. This topic explores the history of Britain and how it exists because of a mixing of cultures. The English language itself evidences the variety of languages that were used when invaders came to Britain as it is made up of words from many cultures. Language, lifestyles, beliefs/traditions, and inventions are some of the most important areas within this topic as they are unique to each invader of Britain.
