

English:

Writing is now our main priority as this will continue to be assessed for the next few weeks. We are continuing to write a variety of genres including: instructions, stories which include dialogue and information texts.

Please share any writing that you complete at home with your class teachers.

We are reading 'Point Blanc' by Anthony Horowitz for pleasure. It is gripping and each chapter leaves us wanting to read more.

YPC:

We are continuing with our topic 'Around the World'. This is a geography based unit where we will be looking at the different continents and analysing landscapes, food that is eaten and what the climate is like. We will be studying maps and naming countries and cities.

Physical Education:

Athletics is our PE focus this term, in preparation for sports day, which we are all looking forward to.

In Games, we will be learning the rules and skills needed for cricket.

Maths:

During this last half term, we will continue to teach Maths in sets. We will have a larger focus on problem solving and thinking about how we can improve our reasoning skills through investigations.

Year 6 Production

Please encourage your child to learn their lines for the leavers' production. We would like the children to feel really confident with their performance. If you do have any costumes that are suitable for any of the characters, we would really appreciate your help. Please speak to one of the Year 6 teachers if you have any questions.
