School Values and Rules

School Values

At Yardley Primary School the partnership between school, parents and the local community is mutually supportive and together we work for the good of the children.

Together:

- We love learning and learn for life
- We always do our best and always display a positive attitude
- We always strive to improve on our previous best
- We always have good manners
- Bullying will not be tolerated
- We value and listen to everyone
- We respect everyone's opinions and differences
- We treat everyone in the way we would like to be treated
- We care for each other and keep each other safe
- We care for our environment
- We ensure our pupils take a full and active part in all aspects of the National Curriculum
- We ensure our pupils attend school every day and are on time
- We ensure our pupils take pride in our school by wearing our school uniform
